Dated this the 16th day of July, 2007

Having heard learned counsel for the review petitioners and having perused the judgment and the grounds urged in the review petition, I do not find any merit in the contentions raised in this review petition. No grounds have been made out warranting a review of the judgment.

Though the review petition is filed with a delay of 232 days, I am satisfied that the delay can be condoned. But since there is no merit in the review petition, it is dismissed.
